SUMMARY

Graphic designer transitioning into frontend development, with nearly 4 years of professional experience at Cimpres India. Bringing a strong visual foundation in design principles, typography, and layout — now applied to building responsive, user-focused web interfaces using HTML, CSS, Javascript, Tailwind, and React.js.

WORK EXPERIENCE

Associate production artist At cimpres india pvt ltd

Aug 2022 - Jun 2026

- Conducted quality checks on designs uploaded by customers to ensure they are print-ready and optimized for best-quality output.
- Worked on a diverse range of products including caps, t-shirts, cups, notebooks, visiting cards, and other printable items.
- Filtered designs based on quality standards and enhanced them as needed to meet customer and production requirements.

Graphic designer at frameinn media

May 2022 - Aug 2022

- Designed engaging digital assets for social media, email campaigns, and online advertisements aligned with brand identity.
- Worked closely with marketing and content teams to deliver creative visuals that support campaign goals and drive engagement.
- Handled multiple design projects simultaneously, meeting deadlines without compromising on visual quality.
